From the Principal

Welcome
Welcome to the beginning of the 2015 school year. We had a great 2014 and expect 2015 to be even better.

Parent communication is vital to us but we need you to participate. There are a few ways to learn about what is happening at school. We have a fortnightly newsletter; the best way to receive this is via email, so that any photos can be viewed in colour. We communicate via the School Facebook page and send home information in the form of student letters. We place focus reminders on our electronic noticeboard and provide an Events Parent Calendar every term. We have many things already planned for 2015 and so look forward to working in partnership with you, so that together we can focus on your child receiving the very best education.

Farewells
At the end of 2014, we said farewell to valued staff for a variety of reasons. We celebrate that many of the staff have been recognised for their unique professional expertise and so rewarded with new substantive positions and adventures. This is a credit to Eagleby State School and the professional development that has been provided to staff over many years.

- Sue Rowe was transferred to Canungra State School, which is closer to her home. Sue has been an invaluable member of our school staff for many years and her professional expertise and experience will be missed;
- Jan Peak has been offered a substantive position as a Literacy and Numeracy Coach at Beenleigh State School. We celebrate this achievement with Jan and will miss her capability in the Early Years;
- Vanessa Kibbey has been successful in being offered an Acting Head of Curriculum role at Helensvale State School which is a substantive position;
- Andrea Barr-Hamilton commences her permanency at Coolnwynpin State School and we wish her well with the exciting opportunities that are ahead in 2015;
- Jackie Maksoud has moved schools as our Guidance Officer which is a regular occurrence in this role. We have appreciated Jackie’s hard work and dedication to our community spanning several years;
- Ben Peardon is on loan to Beenleigh State High School as a professional learning opportunity and to assist in our 2014 Year 6 & 7 students settle into high school life;
- Claire Hamlet who is also on loan to Beenleigh State High School as a professional learning opportunity and to assist in our 2014 Year 6 & 7 special education students settle into high school life;
- Shaun Bennett and Rachel Collins leave us as beginning teachers to continue on their professional journey. Both teachers participated in many additional community events and we appreciated their hard work and loyalty to our school;
- Bridgette Dally has commenced her maternity leave.
Welcome to new staff

We welcome the following staff to Eagleby State School for 2015. We have ensured in our staffing model that all new teachers are in Professional Learning Teams with a high level of Eagleby State School expertise.

### Teaching and Learning model for 2015

Key areas of improvement as outlined in our collaboratively developed Four Year Strategic Plan & 2015 Annual Implementation Plan are:

- Student Learning in Reading, Writing and Mathematics
- Explicit Targeted Differentiation in Reading, Writing and Mathematics
- Formative Data through Learning Indicators for students and staff
- Student attendance
- Teacher capability and capacity
- Student social emotional learning and well being

---

**Eagleby State School Explicit Improvement Agenda 2015**

- An urgency for evidenced, exceptional student learning through explicit, targeted differentiated instruction during Literacy and Numeracy Blocks
- Pedagogical focus on success criteria, goals and feedback, feed-forward

---

**Staff**

- Professional Learning Teams
- Indicators of Learning
- Short Term Data Cycles
- Success Criteria, Goals and Feedback

**Explicit Targeted Differentiation**

**Students**

- Learning that engages and challenges every student
- Indicators of Learning
- Success Criteria, Goals and Feedback

---

**Community and Parents**

- Partnerships that engage and support
- Opportunities to teach and learn
Family & Community Engagement = Student Attendance

The school will continue to engage the community with events as well as rigorously exploring further possibilities of engagement; we will continue with our School Facebook page, utilizing our electronic noticeboard, parent texting, notes home and newsletters.

In 2015, we will move as a school into the next phase of development. Community engagement will involve our current partnerships continuing, with an addition of ‘life skill’ opportunities during playtimes on Monday – Wednesday. This will provide students with a prospect to nominate participation in a variety of ‘courses’ run by community members e.g. cake decorating, cooking an egg, bike maintenance, replacing wheels on a skate board, Table Tennis Clinic and much more. Courses will run for one to four weeks of duration, so that community member commitment is not overbearing. Our school Chaplain will facilitate this process.

The school will employ a Polynesian support worker to support families, student learning and attendance. Our indigenous support worker will continue. We will address the diversity of our multi-cultural community with a specific focus on our meta-linguistic differences and how this can influence student learning; building a bridge from students’ existing cultural knowledge to the academic knowledge they must master.

In 2015 we have employed a full time Dance and Visual Art teacher so that students will participate in one hour a week of Dance in Term 1 and 4, with Visual Art classes for one hour a week in Term 2 and 3.

Student Social and Emotional Learning

In 2015 we will actively review our Behaviour Support systems with the motivation to further explore as a community the notion of punishment versus child development, as a cultural shift when responding to inappropriate behavior – ‘will this response and consequence bring behavior change for this student’. The school Social and Emotional Program will continue to be developed as a direct response to the cultural shift. Our strong community interagency provision which began in 2014 will be further developed, with our ESAT (Eagleby Student Action Team) processes being reviewed. The ratio of monthly behaviour incidents are expected to continue to decrease, with the number of suspensions continuing to decrease as they did in 2014.

Inclusion of all students to have the opportunity to engage and learn alongside same age peers, will be a major project in 2015. No student will be excluded from any learning experiences due to difference.

Our Student Leadership capacity will be extended in 2015. School Captains, House Captains, Music Captains, Environmental Leaders, Community Leaders and Technology Leaders will meet with the Principal on a weekly basis for leadership guidance and project management. Environmental Leaders, Community Leaders and Technology Leaders will each have a teacher mentor.

Teacher Capability and Capacity = Student Literacy & Numeracy Outcomes

Teacher capability and capacity will continue to be a major concentration for 2015, with the continuation of Professional Learning Teams, providing multiple sources for teacher feedback. There will be shift in learning intervention, following research which indicates that teacher pedagogy is the key to learning outcomes. As a response, in 2015 a Literacy co teaching team and a Numeracy co teaching team will be introduced. The co teacher will team teach alongside teachers during their Literacy or Numeracy Block for a five week cycle. This intervention will link with the Short Term Data Cycles, which represent whole class student learning outcomes. Teachers will participate in a focused meeting for one hour a week, in addition to their participation in the whole school weekly Professional Learning program. This will provide teachers with a weekly opportunity to discuss with the PLT their learning intentions and success criteria, what pedagogy is driving learning in the areas of Reading, Writing, Mathematics and Science; if goals are not met there will be reflection and discussion around instructional needs. Formative data will continue to drive differentiation in every classroom in every Literacy and Numeracy Block, with students continuing to have individual learning goals being directly linked to the differentiated instruction. The Oral Language Show Case winning model of 2011 will be returned to its full capacity, with specialist staff being employed specifically for this focus. Our successful 2014 Sound Program will be extended into Year 2 & 3.

ICTs will be further embedded in learning with teacher professional learning around mobile devices (iPads and lap-tops) and how learning can be enhanced. A full time ICT pedagogy teacher will be employed to guide and coach this application by co teaching alongside teachers for a two week cycle during Literacy and Numeracy Blocks. Wireless connectivity and the bandwidth expansion throughout the whole school will assist this objective to become a reality.
Agreed Eagleby State School Uniform Expectations

At the end of 2014 the following information was sent home, placed in our school newsletter and put on our School Facebook page. We hope that all families will respect the following uniform expectations. Sporting Teams, Work Teams and School Teams often identify that they are united, in their purpose and objective by wearing a uniform. At Eagleby State School we have a strong community that supports our students being a part of a proud school. How we present ourselves in our uniform helps to illustrate our shared focus and that we are united as a community.

So that families do not WASTE MONEY in preparation for 2015. I wanted to clearly state the following are the uniform expectations, as agreed by our P & C for 2015. If you have your child enrolled at this school, you have signed the enrolment form, stating that you are in agreement with these uniform standards.

The part of the Uniform Policy Agreement that I need families to clearly understand and that we have the most problems with are:

- Students are to wear the Eagleby State School polo shirt and not a bottle green shirt
- Students are to wear predominantly black or white shoes with black or white shoe laces
- Students are not to have 'tracks' or hair dye in their hair
- Ear rings are to be small and nose piercings are not permitted
- Students are not to have a 'rats tail' at their neck
- Only culturally or religiously significant necklaces can be worn

GIRLS’ UNIFORM
- Green shorts / Skorts or Checked dress (only up to size 8)
- Eagleby State School Polo shirt with logo
- Joggers – predominantly black or white with black or white laces or velcro
- Black or white socks
- Eagleby State School sun safe hat – (bucket)
- Bottle green tracksuit – no hoods permitted.
- Girl’s hair must be tied up (bottle green or black ties) if collar length or longer.
- Jewellery - Sleeper style earrings and watch only.
- Coloured polo shirt (red, blue, yellow) as per house for sports carnivals.

BOYS’ UNIFORM
- Green shorts
- Eagleby State School Polo shirt with logo
- Joggers – predominantly black or white with black or white laces or velcro
- Black or white socks
- Eagleby State School sun safe hat – (bucket)
- Bottle green tracksuit – no hoods permitted.
- Jewellery - Sleeper style earrings and watch only.
- Coloured polo shirt (red, blue, yellow) as per house for sports carnivals.

Students must not adopt dress or grooming that will cause undue comment or attention such as immodest attire, coloured and unusual haircuts, Mohawks and tracks etc. or make-up/fingernail polish.

Except for small studs or sleepers and watches, no jewelery is to be worn. Medical alerts/cultural items to be referred to school administration - (These items should be covered at all times).

Clothing worn under the uniform should not be visible.

Hats, footwear and shirts must be adequately protective. THONGS, VISORS, BEANIES, CAPS, HOODIES, SLEEVELESS OR SINGLET TOPS ARE THEREFORE NOT ALLOWED.

FOOTWEAR
Students are required to wear closed in joggers which are predominantly black or white, with black or white laces and white socks to school each day.

HATS – No hats no play
It is endorsed policy at Eagleby State School (by the P & C Association and staff) that all students are required to wear sun safe hats when playing in the playground. Between 9.00am and 3.00pm, students not wearing hats will be directed to sit in our sheltered “NO HAT ZONE). This policy has arisen out of our concern for the damage caused by the sun to skin and Qld Government policy. Caps are not permitted.

FREE DRESS DAY
Free Dress Days are conducted occasionally as fundraisers. Whilst children are free to come to school out of uniform, the Dress Code as outlined above must be strictly adhered to. In addition, T-shirt with negative slogans or images must be avoided.

Thank you to parents and students for supporting our community and the values that we have agreed on around how we present ourselves and identify as Eagleby State School.
2015 P & C

We are hoping that more parents will be involved in our P & C for 2015. This is a tremendous opportunity for parents to be involved in the decision making of the school. The P & C are a powerful group in determining the direction of the school. Please chat with either the present P & C executive, Libby or Lara about any questions or concerns.

We really look forward to hearing from you.

New Parent Parking at the front of the school

During the school holidays, our new parent car park was constructed by the Logan City Council. Parents will be able to drop off and pick up their children in two ways:

Parking the Car:

Park the car and children get out of the car and walk along the footpath to the gate;
Children go from the gate along the footpath to the car;

Using the Drop Off and Pick Up Zone:

Children are dropped off at the ‘drop off and pick up zone’, walk across the crossing to the footpath and then gate;
Children come from the gate, walk along the footpath to the crossing, walk across the crossing to the ‘drop off and pick up zone’ and wait for their parent to drive through;

If a child is not yet at the ‘pick up zone’ when parents arrive, they will need to drive through and come around again.

We will have additional staff at the front of the school for the first week or so to ensure that everyone understands how the new car park works.

Please come and chat with me if you have any questions.

From the Principal cont........
New Multi Purpose Court

Michael Crandon, our State Member of Parliament has been very supportive of the possibility for us to acquire a new Multi-Purpose court at Eagleby State School. We have an e-petition to the State Government so that they are aware of how much we need and want this court as a community in our school. We need as many signatures as possible.

The link can be found on our School Facebook page or below. We sincerely appreciate everyone in the community urging everyone else in the community and beyond to click on the link and sign the e-petition.

Join us on Face Book

Please return the following information if you do not want your child’s photo to be on our School Facebook page.

Dear Parents and Carers,
We now have an Eagleby State School Facebook page. If you do not wish for your child’s picture to be put on the page can you please hand in the slip below.

Newsletter through email

Can parents please inform other parents in your networks that we need their email address so that we can send them an electronic newsletter?

2015 is set to be a great year!

Kindest regards,
Libby Jordan
Principal

ALLERGIES TO NUTS

We have a few students at our school who are affected by a life threatening allergy to nuts. For one student the allergy is so severe that this child does not even need to touch a nut product but can be affected by sitting next to a child who has eaten something containing nuts. The allergy applies to peanut paste and Nutella, snacks containing visible nut pieces such as Crunchy Nut muesli bars, nut snacks such as packets of fruit and nuts and products with wording, ‘may contain traces of nuts’. The school, on behalf of these students is therefore requesting that parents consider not sending food containing nuts to school.

Crossing the Road Safely

We are very conscious of the safety of our students. We have ‘Lolly Pop Ladies’ who help our students cross the roads safely at the crossings each day. It is important that all students cross the roads at these crossings or at the traffic lights. We would appreciate you discussing this important safety message with your children.

Parent Information Evening

Our Parent Information Evening will be held on Wednesday 18th February starting at 4.30pm with a sausage sizzle.

The schedule is as follows:

- 4.30pm Meet & Greet sausage sizzle (Undercover area near Tuckshop)
- 5.00pm-5.30pm First classroom information session (Classrooms)
- 5.30pm-6.00pm Second classroom information session (Classrooms)

Lara Smith – Deputy Principal
DEAR PARENTS & CARERS: All pick-up arrangements should be made with the students prior to arriving at school, where possible.

PLEASE NOTE: Although we try, we cannot always guarantee that messages will be able to be passed on to students. (Due to class movement, sport and the large amount of calls we receive during the afternoon).

Students of the Week - 29-1-15
- PB - Maxwell - Using respectful manners at school.
- AD - Justin - Settling in to your new school well.
- BP - Liz - Making an excellent start to the school year.
- BM - Zion - Working well in class.
- GG - Calais - Impressive start to the year.
- RA - Makayla - Settling into Red A & ESS with ease.

IMPORTANT SAFETY NOTICE

Parking - the Staff car park and the Administration car park are for staff and official visitors only.

For safety reasons do not drive into to these areas - do not drop off or collect students from these areas as this is the main area used by students with bikes and scooters.

Car parks are available for parents at the front of the school for the purpose of student drop off and collection or you can use the new drop off and pick up area.

To ensure the safety of our children, please do not drive into the school grounds or the staff or administration car parks, this area is NOT for dropping off and picking up students.
