From the Principal

**Term 4 Action Packed**

Fourth term is filled with many exciting events and learning opportunities. During this term:

- Our 2016 Prep students will join us to get a taste of school life, during their Prep information and transitions days;
- Year 5 students will participate in a variety of opportunities to illustrate that they are ready for a Student Leader role in 2016;
- Eagleby Rocks choir enjoy their annual sleepover at school;
- We acknowledge our exceptional P & C and their hard work on P & C Day, 15th October;
- Year 3 – 6 illustrate their Time Tables prowess during the Time Tables Challenge;
- Year 5 & 6 participate in Interschool Sport – Gala Days;
- We celebrate our teachers with World Teachers Day on the 30th October;
- Coming to school every day will be rewarded in a variety of ways;
- Prep to Year 4 make a splash at their swimming lessons;
- Teachers and students will acknowledging effort and achievement through the Student Semester Reports;
- Griffith University visits our Year 6 students to inspire their choices in the future;
- We prepare to farewell our Year 6 at their Graduation;
- We will enjoy remembering a great year during our Year 1 – 6 Pool Fun Day.

Most importantly, our clever students are actively growing their brains each and every day during a vast selection of learning opportunities.
From the Principal cont…..

Eagleby State School is LOOKING GOOD

We have enjoyed some wonderful partnerships this year so that some work on our grounds could be completed. We are well on the way to have our stage on the oval ready for the End of Year Concert. The Prep area has new ‘fake’ grass thanks to the fund raising of our P & C. Twin Rivers have partnered with us to complete the refurbishment of the entrance to the school.

Random Acts of Kindness – Community Spirit Opportunity

On Saturday, 24th October, 7 – 11am, the Latter-Day-Saint church are providing our community with a Helping Hands Service Project at Eagleby State School.
What this means, is that a large tribe of people, will be coming into our school to provide free labour to assist us with certain projects. The volunteers will be divided into teams with professional painters, landscapers, cleaners and child care workers.
These projects have been prioritised around the school and it is hoped that the following will be done:

Painting:
- Painting the outside of Purple Block, Administration and hopefully Green Block
- Painting bag racks at Purple Block and Green Block and down pipes, all tuckshop area Green (seat, taps, wall)
From the Principal cont.....

Gardens:
- Planting in garden beds at the top of Prep, both ends of Purple Block, around Blue Block and Aqua Block
- Flattening the big ‘hump’ outside the Seminar Room and laying turf
- Clearing under the large and beautiful trees at the top oval and laying mulch, so that children can play there

Cleaning:
- Cleaning the Prep building, Red Block, very expensive paving at Prep and Breakfast Club, Library and Seminar Room outer walls
- Cleaning all paving where possible – a high priority is Green Block, Year 1,2 eating area and walk ways that won’t interfere with other project

Other Services:
- Book covering in the library of the 80 Sound Program books per class for Prep and Year 1
- Child Care for volunteers in the Prep area
- Free Car Wash for any community members
- Free morning tea for everyone
- Free Swop Meet in the tuckshop area

All of our school community and employees are invited to come along and join in the action. It would be great to see you on the 24th October, 7 – 11am at any time.
We are very fortunate with the generosity of this community partnerships – these projects would be out of our reach without the kindness of so many people.

Libby Jordan - Principal

Deputy’s Column

Prep 2016
ENROL NOW TO SECURE YOUR PLACE FOR PREP 2016
PLACES ARE FILLING UP FAST

If your child was born between 1 July 2010 and 30 June 2011, and you live within the school catchment zone, they are eligible for Prep in 2016. We will are currently taking enrolments at the school in preparation for next year. If you have a child eligible for Prep or know someone who does, please collect an enrolment pack from the office. Our Prep Parent Information session will be held on Friday October 30th from 9.00am. We will also be conducting our Prep transition program during Term 4 on Friday the 13th and 27th of November form 9.00am-11.00am.

Lara Smith - Deputy Principal
Move-ember at Eagleby State School to raise money for men's health.

There is a new way to do Movember. The challenge for the staff and students of Eagleby State School is to get active and MOVE every day of November, as well as eat healthily by cutting down on sugar. Each class and their teacher will decide how this is to be done and monitored. Each class will also have coin jar to fill with silver coins or any loose change. At the end of November all the coins will be counted and a donation will be made to the Movember Foundation.

Move
More
Less Sugar

Silver Coin Donation
Move-ember
At
Eagleby State School

Students and Staff at Eagleby State School are encourage to Move More and Eat Less Sugar in November.
What are we learning at school?

Year 3

English:
This term, students are reading, viewing and listening to a variety of texts. They are focussing on how effective readers use specific strategies to help them better understand the text. Students are exploring how authors’ use a range of skills, including vocabulary and layout to help convey their message. They are participating in activities where they compare and contrast the language author’s use to entertain, persuade and inform their audience. During writing activities, students are focussing on transferring skills by being an author themselves. They are developing skills in how to construct a variety of texts for a purpose, how to construct sentences and what vocabulary and language features they can use to create impact with their audience.

Science:
Students are exploring the unit Melting Moments. Students develop their understanding and knowledge of solids and liquids and the properties they possess. They will pose questions about different solids and liquids and how heat can change their state. They will evaluate how adding or removing heat affects materials used in everyday life. They are conducting investigations, including posing questions and making predictions, recording and analysing results and communicating ideas and findings using scientific terms such as melting, matter and viscosity.

Geography:
This term, students are investigating the geographical features of Australia and its neighbouring countries. They are exploring how landforms and climate influence people on where and how they live. The students are exploring significant places within Australia and neighbouring countries to how people use these places for different reasons such as recreation, community activities, cultural activities, as a historical landmark, as a workplace or something else. They are focusing their investigation on Eagleby Wetlands. Students are posing questions, collecting data and mapping the Eagleby Wetlands using cartographic conventions.

Year 5

English:
This term, students are listening to, reading and viewing a range of texts to develop a variety of reading strategies and skills. They are focusing on how authors use imagery, dialogue, point of view, plot, setting, characters and theme/message in the development of a narrative. They are looking at similarities and differences between an author’s different texts. During writing activities, students are examining how communication takes many forms, and how these forms have changed over the years. They are constructing a variety of texts including letters and stories.

Science:
This term, students will investigate the unit what’s the matter where they deepen their knowledge of solids, liquids and gases. They are exploring how solids, liquids and gases have some shared and some distinct observable properties and can behave in different ways. Students will pose questions; make predictions and plan investigation methods into the observable properties and behaviours of solids, liquids and gases. They will represent data and observations in tables and graphs. They will identify patterns and relationships in data and suggest improvements to methods to improve fairness and accuracy.

Geography:
Students will investigate the question: How can the impact of bushfires or floods on people and places be reduced? Students will gather information on natural hazards that occur in Australia, focusing specifically on bushfires. They will explore the human characteristics of places such as people, buildings, agriculture and culture as well as the environmental characteristics such as landforms, air, water, plants and animals. They will investigate the location, frequency and severity of bushfires in Australia and their impact on environments and communities. They will collect, collate and discuss data and construct a home emergency plan.

Felicity Pyke
Head of Curriculum
Healthy Habits

The Importance of Sleep for Kids

Why Do We Sleep?

Sleep helps our body and brain develop and grow.

Your Brain Needs Sleep, so you can:
- Remember what you learn
- Pay attention and concentrate
- Solve problems and think of new ideas

Your Body Needs Sleep, so your:
- Muscles, bones, and skin can grow
- Muscles, skin and other parts can fix injuries
- Body can stay healthy and fight sickness

Sleep and You

You can be your best when you get enough good sleep!

Kids ages 5 to 12 need 10 to 11 hours of sleep each night.

When you get enough sleep you can:
- Pay attention better in school
- Be creative and think of new ideas
- Fight sickness so you stay healthy
- Be in a good mood
- Get along with friends and family
- Solve problems better

Without enough sleep you can:
- Forget what you learned
- Have trouble making good choices
- Be grumpy and in a bad mood
- Have trouble playing games and sports
- Be less patient with brothers, sisters, and friends
- Have trouble listening to parents and teachers

Mrs Sarah Brown

Head of Special Education
Term 3 Recap
The students have come a long way in their abilities to read and write using their knowledge of sounds within words.

At the end of the term we were able to celebrate Father’s Day by having our dad’s in for a morning full of fun activities.

What’s happening in Term 4?
This term we will have the opportunity to explore multiple purposes for writing. Students will write letters to post in our class letter box, they will create a shopping list, they will write an invitation to our ‘Prep Teddy Bear’s Picnic’, and a recount of the event.
We will explore different types of weather and seasons in our Science unit and the effects that this has on the way that we dress, the activities that we do and the shelter required.

Emily Aishford - PA
ALL ABSENCES FROM SCHOOL MUST BE EXPLAINED
ABSENTEE PHONE LINE - (07) 3442 5360 please use this number instead of the office number.
Please leave child’s name, date and reason for absence

**Awards**

**Students of the Week 8-10-15**

* AKW - Tyrin - Applying himself in mathematical tasks & using mathematical language to explain his understanding.
* BM - Kyla - Showing ‘true’ leadership skills when helping her classmates in group work.
* GG - Ruthylee - Hardworking, kind & caring.
* RA - Brandon - Improvement in classwork & staying on task.

**Diamond Awards**

Recipients of Diamond Awards are

**Congratulations & well done!!!!!**
