

# Investing for Success

**Under this agreement for 2017  
Eagleby State School will receive**

**\$331,050\***

## This funding will be used to

- Increase NAPLAN Reading in Year 3 U2B from 14.3% (2013) to 45% by 2017 NAPLAN
- Increase NAPLAN Writing in Year 3 U2B from 25.8% (2016) to 50% by 2017 NAPLAN
- Increase NAPLAN Numeracy in Year 3 U2B from 10.7% (2013) to 40% by 2017 NAPLAN

## Our initiatives include

- Advancing teacher capability means formative urgency leads to rigorous intent and focus;
- Explicit targeted differentiated instruction includes responsive questioning, feedback and feedforward; Literacy and Numeracy Blocks;
- Meaningful cognitively complex real life tasks are the product of innovative planning and provide engagement for teachers and students;
- Differentiate learning for teachers using Pedagogy Indicators which align to Professional Learning Plans and formal observations, feedback, feed-forward; PLTs participate in weekly focus meeting to ensure on targeted student learning against learning indicators;
- Ensure Short Term Data Formative Data cycles occur every five weeks rigorously challenging the effectiveness of instruction in Literacy and Numeracy Blocks;
- Provide Co Teaching teams, who team teach in Literacy and Numeracy Blocks with a teacher for a five week cycles; Co Teachers provide evidence of their pedagogical influence through Short Term Data cycles illustrating pedagogical movement against teacher indicators;
- Atomic Theory Science Prep to Year 6; Periodic Table = Chemistry, Photosynthesis, Human Body = Biology; Space, Gravity = Physics. Expert science consultant, trainer the trainer model;
- Advanced Computer Science – Coding Year 4 – 6.

## Our school will improve student outcomes by

- Full Time Teacher Aide for each PLT \$55,000
- PLT Focus Meeting additional meeting time \$36,000
- Numeracy Co Teacher contribution \$36,000
- Literacy Co Teacher contribution \$44,000; Coding \$46,000
- Early Years Partnership and Co Teacher contribution \$44,000
- Behaviour Advisory Teacher contribution \$30,000
- Atomic Science \$5,000
- Reading Intervention Prep to Year 4 \$28,000
- Reading ICT Resources \$7,050
